Friends of Morrison-Reeves Library

Friends Membership Renewal Information!

Are you looking for a way to spend some free time? Do you love Morrison-Reeves Library? Or, do you have little free time, but still love MRL?

Even though everyone's needs are different, there is one solution for both situations - renewing your membership to the Friends of Morrison-Reeves Library! By being a Friend, you will find many opportunities to help out with library programs, special projects, and the annual book sale. You can help the Friends and MRL even if you don't have time to spare. Your membership fees help pay for operating expenses and underwriting this newsletter. Membership in the Friends entitles you to a year's subscription to the newsletter, *Check It Out*, admission to the *Friends Preview Night* at the annual book sale, as well as an invitation to the spring luncheon honoring the accomplishments of the Friends. As an active or supporting member, you are lending a hand to the Friends and the Library.
